* For the 2020-2021 academic year, we are following guidelines given by state and local officials which can cause changes to the types of rooms that can be offered. In conjunction with these guidelines, we are reducing occupant density by eliminating double- and triple-occupancy rooms in traditional residence halls. Rooms may be furnished as double or triple rooms, but only 1 student will be assigned. The Single rate has been reduced to the amount of the former Double rate.
