By submitting this Contract, Resident authorizes the University to use all information provided, selected and contained in the Contract process to execute, maintain, and enforce Resident's on-campus housing assignment, as outlined specifically in the Contract.

III. SECURITY DEPOSIT

Resident may make an appointment to speak with a UCR-HDHS representative to discuss any past due balance, or anticipated past due balance. However, this will not waive the \$30.00 Late Fee. Please do not use inter-campus mail to send payments. If you need a receipt, send a self-addressed envelope with proper postage to the Main Cashiers Office and a receipt will be sent back to you.
6. The Resident's failure to pay any amounts due under this Contract or breach of any other provision of this Contract or the Student Conduct Policies may result in disciplinary action, including termination of this Contract and eviction proceedings.
7. As it is extremely difficult or impractical to ascertain the precise amount of damages incurred by a breach of conditions, parties hereto agree to liquidated damage costs as they are defined in or referenced by this Contract.
8. For periods of occupancy within any calendar month, but less than the complete calendar month, the rent shall be calculated as 1/30th of the total monthly rent for each day of occupancy. Late arrivals and early departures will not be prorated without prior written approval. Move-out any time during the last month of this Contract shall NOT be considered an early termination and is NOT eligible for proration. **Move-out any time during the last month of this Contract shall NOT be considered an early termination and is NOT eligible for proration.**
9. **RESIDENTS WITH DINING PLANS:** In the event of early departure, Dining Plan charges will be prorated based on Residential Restaurant operational days. Any verifiable use of meal swipes and/or Dining Dollars beyond the prorated amount will be billed to the Resident.
10. The Resident is financially responsible for the entire term of this Contract unless officially released by the University. If officially released by the University, Resident will be responsible for all terms and conditions of the release, as communicated in writing.
11. UCR-HDHS may increase the rental rate in an amount not to exceed 10% of the total room fee, as economic conditions warrant. If a rate adjustment is necessary, UCR-HDHS shall notify Resident in writing sixty (60) days prior to the effective date of the rental rate increase or as otherwise allowed by law.
12. Resident will be charged for any damages to the assigned apartment, including unsatisfactory cleanliness,. Charges are due and payable upon assessment.

The failure to give such notice shall result in the assessment of 30 days pro rata rent or \$75.00, whichever is greater, as a liquidated damages charge to cover UCR-HDHS' administrative costs.
- m. A one-quarter Leave of Absence may be approved by UCR-HDHS upon request. A Leave of Absence may not be requested for Resident's initial quarter of occupancy. Only one housing-related Leave of Absence shall be granted while Resident is a UCR student. A one-quarter Leave of Absence will not be approved following graduation. - o. UCR-HDHS reserves the right to permanently exclude from campus housing a Resident who has been legally evicted from any campus housing unit or whose UCR-HDHS Contract has been otherwise terminated by UCR-HDHS. Excluded Residents are not permitted to enter/return to the buildings or grounds of any campus housing facility for any reason.

2. SUBLETTING AND GUESTS

- a. The Resident shall not assign any rights under this Contract, sublet or give accommodations to any other person not assigned to the apartment by UCR-HDHS. Actual violations, as well as solicitation of a sublease, shall be grounds for eviction.

A monthly electricity allowance, or "cap," is applied to each Apartment as specified below. Any monthly electricity bill amount in excess of the allocated allowance will be charged to Resident on a monthly basis.

1-Bedroom, 1 Bath	\$50.00/month
2-Bedroom, 2 Bath	\$75.00/month
- b. All other utilities and services not specified above including, but not limited to telephone, expanded cable television, expanded internet or Wi-Fi, must be arranged for and paid for by the Resident to an approved third party provider. Contact the Resident Services Office (RSO) regarding approved third party providers.
- c. For each utility/service charge paid by UCR-HDHS on behalf of the Resident or paid by UCR-HDHS to mitigate Resident's failure to pay utility/service charges ascribed to them, Resident is required to reimburse UCR-HDHS for said charge plus \$75.00 as liquidated damages for administrative costs associated with each billing required by UCR-HDHS in seeking reimbursement or resolution

4. DINING PLANS

- a. The ability to purchase sundries, food, and meals from the numerous convenience stores and food venues on campus via a Dining Plan shall be an optional "add-on" for enrolled students assigned to Family Housing.
- b. A Dining Plan is composed of "Meal Swipes" that can be used to purchase meals in the Glasgow or Lothian residential restaurants, and "Dining Dollars" that can be used to purchase personal or guest meals and snacks at any Residential Restaurant, convenience store, or other dining venue on campus. The selected Dining Plan may be supplemented with additional value at any time at any Resident Services Office. Note: During holidays and Quarter breaks, no meals are served at Residential Restaurants and campus food service and convenience store availability is extremely limited or may be entirely unavailable.
- c. The Dining Plan selected at contract signing is for the entire regular academic year (i.e. Fall, Winter and Spring quarters). Changes are permitted during the first two weeks following the Start of Instruction (as published by the University) in the Resident's initial move-in quarter (i.e. Fall, Winter or Spring quarter). A Dining Plan may not be transferred, cancelled, carried forward, refunded, or reduced to a plan of lesser value except as allowed for in the terms of this Contract. Dining Plan change requests for emergency/exceptional situations submitted with supporting documentation may be considered after the first two weeks. A class schedule conflict is not a viable reason for a dining plan change after the first two weeks of the academic year. Dining Plan Change Request forms can be obtained from and submitted to the Resident Services Office (RSO).
- d. "Meal Swipes" are available for use at the next scheduled Residential Restaurant meal following Fall Move-In. Dining Dollars are available for use beginning on September 17, 2021, or the Effective Date of this Contract for move-ins after September 17, 2021, and may be utilized through June 30 of the academic year in which Resident is assigned, or the Resident's move-out if prior to June 30, after which time they will expire.
- e. If Resident's chosen Dining Plan includes Residential Restaurant meals/"meal swipes," they are re-set each quarter. Unused meals do NOT roll over to the next quarter and are NOT refundable. Unused Dining Dollars DO roll over to the next quarter during the regular academic year, but DO NOT carry over beyond June 30th or beyond the Residents move-out date, whichever comes first, and are NOT refundable.

5. TERMINATION OF CONTRACT

- a. It is agreed that this Contract may not be terminated by Resident after the Effective Date except as specifically provided for in this section.
- b. UCR-HDHS is not bound to release, and generally will not release, Resident from this Contract. Substantial and verifiable supporting documentation will be required for consideration of any cancellation request.
- c. UCR-HDHS is not required to consider the Contract terminated until a Contract Cancellation Request has been approved or a Contract has been legally terminated by UCR-HDHS and Resident has removed all personal belongings from the premises and returned all keys and/or other access devices to UCR-HDHS, or by other means allowable by law.
- d. All Contract Cancellation Requests submitted after the Effective Date of the Contract will be assessed a \$75 processing fee unless specifically noted. Approval should not be assumed. If approved, Resident will be assessed cancellation charges as denoted in the sections below, which the Resident agrees are liquidated damages.
- e. **TERMINATION BY UCR-HDHS:**
 - i. UCR-HDHS may terminate this Contract for any reason allowed by law, including, but not limited to, resident's failure to pay any amounts required hereunder when due or for any other violation of a term or condition of this Contract, the Family Housing Eligibility & Assignment Policy, or any rule or regulation established in the most current edition of the Student Conduct Policies, incorporated by reference herein. In such event, UCR-HDHS shall serve a three-day Notice to Pay Rent or Quit, Notice to Perform Covenant or Quit, or a Notice to Quit, as applicable. In the event of such termination by UCR-HDHS, the Resident shall be held responsible for payment of the remaining contracted amount up to such time as UCR-HDHS is able to enter into a replacement Contract with another resident.
 - ii. The Resident hereby agrees that University may terminate Resident's tenancy under this Contract without cause upon thirty (30) days' written notice and expressly waives any right Resident may have currently or in the future under state law to receive sixty (60) days' notice of termination.
 - iii. If UCR initiates a full cancellation of admission prior to the Effective Date, there will be no liquidated damages or other fees charged.
 - iv. If a Resident fails to vacate the Apartment on the Expiration Date or other legal termination date, the Resident is responsible for pro rata rent until the Resident vacates the Apartment. Any damages incurred by UCR-HDHS as a result of the Resident's failure to vacate premises, plus a liquidated damages charge of \$75.00 to cover administrative costs incurred by UCR-HDHS as a result of a Resident's failure to vacate, shall be charged.

- v. "No Shows" are Residents who (1) do not check in on the Effective Date of the Contract, or (2) fail to pre-notify UCR-HDHS of a planned late arrival at least 48 hours prior to the Effective Date of the contract. "No Shows" who have been released from UCR student status will fall under the established campus refund schedule available in the UCR General Catalog. A "No Show" who is a registered student at UCR shall remain obligated to this full contractual agreement and will fall under the Cancellation Charge Schedule below. UCR-HDHS may seek a replacement resident 48 hours following the Effective Date of the Contract. Liquidated damages will be assessed.
- vi. *Force Majeure*. In the event that circumstances such as fire, earthquake, or any other "Act of Nature," casualty, or circumstance render all or a part of the Apartment or premises uninhabitable or otherwise prevent the University's performance under this Contract, University shall have the right to terminate this Contract, or move Resident to similar accommodations while repairing and restoring the premises. Resident's obligation to pay rent hereunder shall be abated only if University terminates this Contract or does not provide Resident with similar accommodations. University has no obligation or liability to Resident to provide alternate housing or food services or to rebuild or replace any affected premises. Prepaid room and/or board applicable to the period following the premises being officially designated as uninhabitable and cancellation of Contract by University shall be prorated and refunded to Resident by University.
- f. **TERMINATION BY THE RESIDENT:**
- i. The Resident may terminate this Contract for any reason by submitting a Contract Cancellation Request form specifying the Resident's planned date of move-out to the Resident Services Office at least 30 days prior to Resident's planned move-out.
- ii. If Resident submits a Contract Cancellation Request less than 30 days prior to Resident's planned move-out, Resident will be charged the daily rent for each day short of a 30-day notification, pro rata rent until the Resident vacates the Apartment, and shall be responsible for any other term or condition of the approved release.
- iii. If a Resident fails to vacate the Apartment on the move-out date submitted on a Contract Cancellation Request form or, in the event of a relocation, three (3) days after the effective date of Resident's Contract for a new space, Resident is responsible for pro rata rent until Resident vacates the Apartment and a liquidated damages charge of \$75.00 to cover administrative costs incurred by the University. Resident further understands and agrees that Resident will be responsible for all of University's damages resulting from Resident's holding over of the Apartment, as well the damages of any person who was unable to move in due to Resident's holdover.
- iv. If a Resident's admission is rescinded by the University prior to the Effective Date of this Contract, Housing fees will follow the established campus refund schedule as published in the UCR General Catalog.
- v. If the Resident terminates this Contract prior to the Effective Date while still an admitted UCR student, cancellation charges will follow the schedule below, which the Resident agrees are liquidated damages.
- vi. All Contract Cancellation Requests submitted on or after the Effective Date of the Contract excepting conditions outlined above will be assessed according to the schedule below.

CANCELLATION REQUEST SUBMISSION DATE	CANCELLATION CHARGE SCHEDULE
More than 120 Days Prior to Effective Date of Contract	\$100 Processing Fee
More Than 30 Days Prior to the Effective Date	Forfeit \$200 Deposit
Within 30 Days of Effective Date	Forfeit \$200 Deposit + An Amount Equal to One Month's Rent
On or After Effective Date of Contract	\$75 Processing Fee + Remaining Financial Obligation of Contract

- vii. On or after the Effective Date, the Resident may request to terminate this Contract without penalty for one of the following reasons only. All other requests will be charged as indicated in the schedule above.
- (a) Cancellation of admission or release from UCR student status by UCR (including graduation) for the remainder of the academic year. This does not include voluntarily withdrawing from classes for any particular quarter. A \$75 processing fee and pro rata rent will be charged.
- (b) Release from Post-Doctoral appointment by UCR. A \$75 processing fee and pro rata rent will be charged.
- (c) The Resident is no longer eligible to live in Family Housing as outlined in the Family Housing Eligibility and Assignment Policy. Pro rata rent will be charged.

- viii. UCR-HDHS is not required to consider a Contract expired until the Resident has removed all personal belongings from the premises and returned all keys to UCR-HDHS.
- ix. Any correspondence pertaining to a Contract termination must be directed in writing to UCR-HDHS, 3595 Canyon Crest Drive, Riverside, CA, 92507 or housinginfo@ucr.edu. **Notifying Admissions, the Registrar, or any other campus department will specifically not suffice as notification to UCR-HDHS.**

6. LIQUIDATED DAMAGES

In addition to all amounts payable to the University under this Contract, the Resident agrees to pay the University \$75.00 as liquidated damages for the preparation and service of all notices. Resident shall also reimburse University for any legal support services or attorney fees, incurred during the pursuance of legal eviction procedures. In the event the University prepares a Notice to Pay Rent/Perform Covenant due to the Resident's failure to pay rent or to perform a covenant of the Agreement and (1) the Resident pays said rent or performs said covenant or (2) the University agrees to rescind such Notice, the Resident agrees to pay the University \$75.00 as liquidated damages to cover the administrative costs involved in the preparation and service of said Notice. In the event the University prepares and has served a Summons of Complaint and the University and the Resident subsequently resolve their differences and the University allows the Resident to continue to reside in the premises, the Resident agrees to pay the University (a) \$75.00 as liquidated damages to cover the administrative costs involved in the preparation of the Summons of Complaint plus (b) such costs for service as are actually incurred. It is agreed that it is extremely difficult or impractical for the University to ascertain its damages in the event of hold over, that said liquidated damages represent a reasonable amount calculated to cover damages to the University in the event of hold over. The imposition of liquidated damages in the above circumstances shall not prevent the University from serving a future Notice to Pay rent/Perform Covenant or Quit and /or serving a Summons of Complaint for unlawful detainer.

7. LIMITATION OF LIABILITY

- a. The University shall share no liability for the theft, loss, destruction or damage to Resident's personal belongings, the Resident's rented space, or another individual while the Resident lives on campus. On-campus Residents are eligible for renters insurance designed specifically for university students through GradGuard Renters Insurance Plan. The University strongly recommends that Resident secure a renters insurance policy with GradGuard or another equitable plan offering protection, while Resident is living on-campus, off-campus, or traveling abroad.
- b. Resident acknowledges that congregate living facilities such as that represented by campus housing may present certain risks of exposure to infectious diseases that can cause illness or death. Resident agrees to adhere to any applicable guidelines and/or measures implemented by the State of California and/or Riverside County Public Health officials to reduce risks associated with the spread of an infectious disease, including but not limited to occasions of on-site or remote quarantine. Resident waives the right to any claim against the University related to or arising from the acquisition of or exposure to any infectious disease. Neither the University or its employees or agents shall be liable for any claims of loss, expense, or damage to Resident relating to the acquisition of or exposure to any infectious disease. The University makes no warranty with respect to the safety of the premises with regard to any infectious disease.

8. CARE OF PREMISES AND OBSERVATION OF CONTRACT PROVISIONS

- a. Resident agrees to keep the Apartment and premises in a clean, sanitary, non-hazardous condition, to be responsible for any damage to the Apartment, its furnishings and equipment (reasonable wear and tear excepted) and to comply with all provisions of this Contract and the most current edition of the Student Conduct Policies, as they may from time to time be amended.
- b. Television, radio, and satellite antennae or any other equipment or materials may not be affixed to any part of the exterior of the premises.
- c. University may temporarily turn off equipment or interrupt utilities to avoid property damage or to perform work requiring such interruption as determined by University's sole judgment. University will not be liable for any inconvenience, discomfort, disruptions, or interferences with Resident's use of premises because University is making repairs, alterations, or improvements to the premises, Apartment, buildings, or community, as allowable by law.
- d. Resident agrees not to make any alternations and/or changes to the Apartment as outlined in the Student Conduct Policies.
- e. Resident, not the University, is responsible for cleaning and maintaining appropriate hygiene in Resident's living space.
- f. The University shall provide regular cleaning of non-apartment, communal spaces (i.e. non-apartment lounges, hallways, labs, and laundry rooms), except during University-recognized holidays, academic breaks, or during Final Exam Weeks.
- g. The Resident is responsible for returning the Apartment to the University in the same condition as when received, reasonable wear and tear excepted.

9. RULES AND REGULATIONS

- a. Resident agrees to comply with all rules and regulations which the University has established including, but not limited to, such rules as are incorporated in the most current edition of the Student Conduct Policies. Rules and regulations set forth in the Student Conduct

Policies may be changed with thirty (30) days' notice and Resident agrees to abide by any such changes. Failure to comply with the rules and regulations in the Student Conduct Policies, including any inability or refusal to adjust to the concept and requirements of living in a student residential environment, shall be deemed a material breach of this Contract.

- b. Resident is fully responsible for reviewing and complying with information distributed by UCR-HDHS to Resident's student email address or to the Resident Services Office in the Resident's name.

10. RELOCATION

Resident understands that the University reserves the right to relocate Resident upon thirty (30) day notice. - b. Any suspected malfunction of fire and life safety equipment must be reported immediately to the appropriate Resident Services Office (RSO).
- c. Residents must evacuate the premises during a fire alarm.
- d. Misuse or tampering with any life safety equipment installed by the University, including but not limited to smoke/heat detectors or egress alarms, is prohibited.

12. MEDICAL & RECREATIONAL MARIJUANA

Under Federal Law, marijuana is categorized as a Schedule I substance. The manufacture, distribution, and/or possession of marijuana is strictly prohibited whether prescribed for medical reasons or recreational, and is a criminal offense. The University, including campus housing, follows and complies with Federal law regarding marijuana or marijuana concentrate, and is a drug-free community. Failure of Resident or Resident's guests or invitees to comply with this law is a substantial and material violation of this Contract and is likely to result in immediate eviction.

13. PETS

Pets **ARE NOT** permitted, excepting fish in one aquarium of 20 gallons or less per bedroom and/or small rodents kept in a cage. For the purpose of this Contract, small rodents are defined specifically as mice, hamsters, gerbils, guinea pigs, or chinchillas only. Breach of this provision will result in a non-negotiable fee for fumigation services in addition to any appropriate cleaning or repair charges deemed necessary. Keeping an unauthorized pet is grounds for immediate eviction. Pet prohibitions apply to all mammals, reptiles, birds, and insects, owned or visiting, with the exception of approved assistance animals. University may remove any unauthorized pet and turn it over to a local authority or humane society following a 24-hour notice to Resident to immediately remove the pet. Assistance animals, including Service and Emotional Support animals must be registered with UCR Student Disabilities Resource Center (SDRC) and approved by UCR-HDHS **PRIOR** to bringing any such animal into the community.

14. SMOKING

- a. The University is a smoke- and tobacco-free campus. As such, smoking and the use of tobacco products in all interior, exterior and parking areas of all University-controlled properties is prohibited.
- b. Smoking, the use of smokeless and noncombustible tobacco products, the use of unregulated nicotine products as well as smoking devices (e.g. e-cigarettes, vaping devices, e-hookahs) are strictly prohibited in all interior, exterior and parking areas of all University-controlled properties.
- c. A Resident who smokes or permits smoking on the premises will be financially responsible for damages, including scent and allergen abatement, which may include (but is not limited to) carpet replacement, full repainting, wood replacement, and special chemical cleaning.
- d. Smoking violations are grounds for immediate eviction.

15. MEDIA BROADCASTING & RECORDING

Resident may not broadcast or record the images or voices of other residents or guests without their expressed knowledge and permission. This includes, but is not limited to, video, webcam, photo, and phone recordings. Resident students wishing to conduct media projects, which may create a disruption in the community, must follow established campus media project protocol. All media recording by student organizations must be approved prior to the initiation of media recording including, but not limited to, video and audio recording in residential community common areas and on adjacent property. The use of aerial devices (such as drones) is prohibited on campus housing premises.

16. PARKING/TRAFFIC
